

MOHAMED KHASSAR

Full Stack Developer

PROFILE

I am a Full-Stack Web Developer with extensive experience in web development. I have a broad range of skills in building web applications and websites using a wide array of technologies and tools. My coding skills include front-end development with HTML, CSS, and JavaScript, as well as working with frameworks like React. Additionally, I am well-versed in server-side development using languages such as Node.js and PHP, and I also work with frameworks like Laravel and ExpressJs. Moreover, I am proficient in interacting with databases like MySQL and MongoDB.
